

Directions

imago at Loughborough is one mile from the M1 exit 23 at the centre of the country's motorway network, situated on the fringe of Loughborough University's 200 acre campus. We are minutes away from the market town of Loughborough which has excellent Intercity rail and coach links and only eight miles from East Midlands Airport.

Our courtesy coach is available on request to collect delegates from any of these arrival points.

We have ample free and secure car parking. Visitors who are disabled can drive right up to the entrance to imago at Burleigh Court and will find plenty of reserved parking close to the building.
