## DIRECTIONS TO THE BENCHERS' ENTRANCE

Gray's Inn is situated on High Holborn at the City end. The nearest tube is Chancery Lane, on the Central Line. Alternatively we are 5-10 minutes walk from Holborn, on the Piccadilly Line.

The entrance into South Square is through a narrow archway, which can be found on High Holborn, flanked by Rymans the stationers and the Cittie of York pub.

If assistance is required, the porter's lodge is located a few yards further on the right.

The Benchers Entrance is situated in the middle of first square (South Square) next door to the Hall.

This entrance should be used for access to The Hall, The Large Pension Room, The Small Pension Room and the Benchers' Library.
