

# Leeds Castle Directions

## Access via Public Entrance - B2163

### Via the M20

- After leaving the M20 at Junction 8 (Lenham A20) follow the brown and white tourist signs.
- At the third roundabout Leeds Castle is sign-posted right via the B2163. Turn right at this roundabout and follow the signs to Leeds Castle.
- A few hundred yards on the left is the main public entrance, where a steward will direct you to the appropriate car park.

### Important - SatNav users entering via public entrance

If you are using a satellite navigation system, then please follow the brown and white tourist signs once you reach the A20 as your navigation system may incorrectly direct you to a private entrance where you will be redirected.
