

Directions

Getting here by Road

Woodside's location in the heart of England makes road access easy from all directions. With the M1 and M40 offering alternative routes from London and the Southeast, the M5 providing a good link with the Southwest and the M1 and M6 serving the north, driving to your course or conference should be straightforward. Even delegates from places as far afield as Newcastle, Dover and Plymouth can usually be here in a little over three hours.

By Rail or Air

Besides having Birmingham International Airport just a 20-minute taxi ride away, Woodside is exactly halfway between Heathrow and

Manchester Airports. Fast motorway links put both within a 90-minute drive of the conference centre. There are excellent rail services to Birmingham International and Coventry stations, with frequent trains from London and direct links from Glasgow, Liverpool, Manchester, Southampton and Newcastle. If you would like to be met from the airport or one of the stations, we will be happy to arrange transport for you.
